Re: Jumbo Jensen Quarry, M/041/008, Sevier County, Utah

Dear Wayne:

This letter confirms our telephone conversation of May 14, 1993 wherein you advised me that Tony Gallegos had not had the opportunity to update the reclamation surety estimate for the above referenced quarry.

In light of this fact you agreed that the State will not take any action to draw upon the Letter of Credit issued by the Northern Trust which is provided as security until after June 9, 1993.

Now that I have received the updated Surety Estimate there should be no problem providing you with replacement surety prior to June 9, 1993.

Your help in this matter is greatly appreciated.

Sincerely,

USG CORPORATION
